

Director of Rowing - Seeclub Stansstad

[Seeclub Stansstad](#) is seeking a head of rowing to lead recruitment initiatives and coach youth, recreational and performance sport in our small but mighty club in the heart of Switzerland.

You're a match for this opportunity if you:

- are passionate about rowing with a strong foundation in the sport
- have coaching experience and it is part of your career path / long term vision
- have developed and implemented recruitment strategies OR have experience in recruitment & retainment
- believe in rowing as a lifetime sport and the inclusion of all age-groups and abilities as being central to your leadership philosophy and engagement initiatives

Additional expectations include:

- relocation (with organizational support from the club)
- motor boat license OR motivation to pursue full-licensing
- trailer driving license
- coaching certificate

Non-requirements but assets:

- German knowledge or willingness to learn
- boat rigging and repairs experience OR curiosity

We offer:

- one of the most spectacular rowing locations in the world
- a newly renovated clubhouse and blank slate for you to build upon
- a successful junior boys regatta squad (ranging from international - row 4 fun level)
- a strong community of volunteers and resources you can leverage to further your initiatives
- conveniently located between the city of Lucerne (Rotsee) and the National Training Center in Sarnen - for coach development opportunities and access to world class rowing.
- a competitive salary with room for growth through self-driven initiatives

Bonus if:

- you love the mountains → hiking, biking, cycling, skiing, xc skiing all at your fingertips
- you love jumping in a beautifully clear lake after a hot coaching session
- love cheese, chocolate and don't mind paying 4 CHF for a really good coffee 😊

Starting:

- flexible start time but ideally before Aug/Sep 2022
- transition phase with [Helena](#) (current coach)

About the club:

- founded in 1922
- total of 200 members of every age and level
- boat house built 1965, fully renovated in 2021
